YOUR LOCAL REPRESENTATIVE

LiveRoof Ontario & LiveRoof Atlantic

At LiveRoof Ontario, we are dedicated to providing premium, sustainable green roof solutions that blend innovation with environmental responsibility. With nearly two decades of experience in horticulture, we embrace both the challenges and rewards of green roofing.

Located 20 minutes west of London, Ontario, in Mount Brydges, we are a division of Hillen Nursery, Inc. — a family-owned operation since 1983. We grow and ship fully mature, vegetated LiveRoof modules across Ontario and extend our reach to Atlantic coastal provinces through local producer partnerships.
